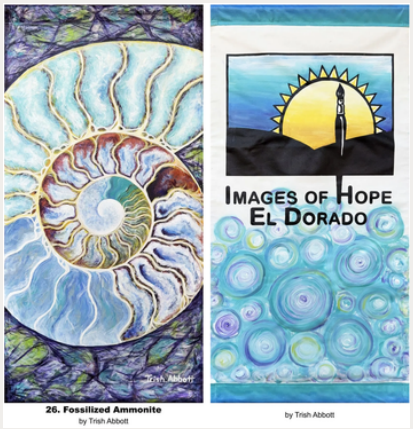
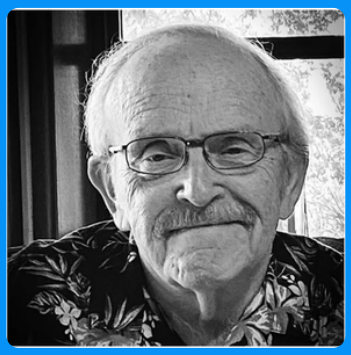
A few of our amazing banners from last year!



Words from Board Member and Banners on Parade Chair, Bill Robinson



"This year, the Banners on Parade will be unveiled on Main Street during the week of July 13. Normally, they go up in June, but this year the City of Placerville will display special banners on Main Street during June and early July for the 250th Anniversary of the USA. Our 30 wonderful banners for this 20th year of Banners on Parade will hang on the light poles along Main Street from mid-July through October."
